Eleanor,

Attached is an edited version with comments by Bo, Dan, and myself (my comments/edits in blue). Hopefully we're moving in an "improved" direction. Good luck following this.

Good evening/afternoon, All,

Attached is the EBR checklist for you all to look over and comment on. In case somebody has not done Track Changes in Excel (I don't know too many who have), the first worksheet includes some instructions I wrote out to make it easy to do.

Thanks,  
Eleanor
